About GFWC

The General Federation of Women's Clubs (GFWC) is one of the world's oldest and largest nonprofit, nonpartisan, nondenominational volunteer service organizations. Founded in 1890 and chartered by the U.S. Congress in 1901, GFWC unites over 63,000 members across affiliated clubs in every U.S. state and more than a dozen countries.

GFWC members are dedicated to community improvement through volunteer service, supporting initiatives in the arts, education, health, civic engagement, and domestic violence awareness. In 2022 alone, clubwomen completed over 82,000 projects, donated more than \$25 million, and volunteered over 5 million hours in their communities.

Headquartered in a National Historic Landmark in Washington, D.C., GFWC continues to be a powerful force for good—empowering women to lead, serve, and connect. www.GFWC.org
